There are three ways to vote:

- ★ **Vote by Mail**
- ★ **Vote Early**
- ★ **Vote at the Polls**

FLORIDA IS A CLOSED PRIMARY STATE. WHAT DOES THIS MEAN?

Only voters who are registered members of a political party may vote for that party's candidates in a primary election, **UNLESS** the race is a Universal Primary Contest.

A Universal Primary Contest occurs when all candidates in the same race have the same political party affiliation and the winner will have no opposition in the General Election. In the 2018 Primary, both County Commission races are Universal Primary Contests. Even though County Commission races are partisan, because all six county commission candidates have the same party affiliation, these races will be on the Republican, Democratic and Nonpartisan ballots and **ALL** eligible voters can vote for county commissioner in the 2018 Primary. The county commission races will not advance to the 2018 General Election as they will be decided in the 2018 Primary Election. **ALL** eligible voters can vote in a Universal Primary Contest and School Board Contest regardless of their political party affiliation.

The voter registration books for the 2018 Primary Election close on July 30, 2018. This means that any new voter registration applications or political party changes must be received or postmarked by July 30, 2018.

On Election Day the Polls are open 7:00 a.m. - 7:00 p.m. Before you go to the polls:

- If your address or name has changed, contact the elections office **BEFORE** Election Day.
- Check your voter information card for the location of your polling place.
- Take your drivers license or another form of photo and signature ID to the polls.

This Sample Ballot is for informational purposes only. IT IS NOT FOR VOTING. However, you may take it to the polls for reference.
